

RESOLUTION #06-02-01

THE CITY OF JEWETT CITY COUNCIL FINDS AS FOLLOWS:

Section 61.012 of the Texas Election Code requires that the Jewett City Council must provide at least one accessible voting system in each polling place used in a Texas election on or after January 1, 2006. This system must comply with state and federal laws setting the requirements for voting systems that permit voters with physical disabilities to cast a secret ballot.

The Office of the Texas Secretary of State has certified that the IvoTronic, Model 8.0.1.0 Voting System provided by Leon County is an accessible voting system that may legally be used in Texas elections:

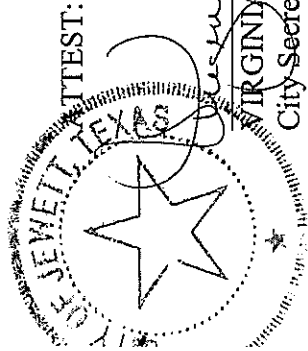

Sections 123.032 and 123.035 of the Texas Election Code authorize the acquisition of voting systems by local political subdivisions and further mandate certain minimum requirements for contracts relating to the acquisition of such voting systems.

THE JEWETT CITY COUNCIL HEREBY RESOLVES:

As chief elections officer of the Jewett City Council, the City Secretary shall provide at least one IvoTronic, Model 8.0.1.0 Voting System in each polling place in every polling location used to conduct any election ordered on or after January 1, 2006. The IvoTronic, Model 8.0.1.0 Voting System may be acquired by any legal means available to the Jewett City Council, including but not limited to lease or rental from the County of Leon or from any other legal source, as authorized or required by Sections 123.032 and 123.035, Texas Election Code.

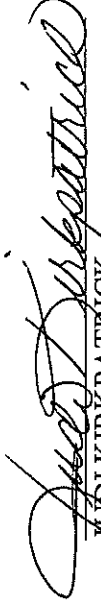

PASSED BY VOTE AND APPROVED this 21st day of February 2006.
