### SECTION IV. POLICE PROCEDURES

1. A police officer of the town, upon finding or having attention called to any minor on the streets in violation of this division, normally shall take the minor to the police department, where a parent shall immediately be notified to come for such minor, whereupon he shall be questioned. This is intended to permit ascertainment, under constitutional safeguards, of relevant facts, and to centralize responsibility in the supervisor there and then on duty for accurate, effective, fair, impartial and uniform enforcement and recording, thus making available experienced supervisory personnel,

the best of facilities and access to information and records. In the absence of convincing evidence such as a birth certificate or driver's license, a police officer on the street shall in the first instance use his best judgment in determining age.

2. Police procedures shall constantly be refined in the light of experience and may provide, inter alia, that the police officer may deliver to a parent thereof a minor under appropriate circumstances, for example a minor of tender age near home whose identify and address may readily be ascertained or are known.

3. In any event, such police officer shall, within 24 hours, file a written report with the Chief of Police.

4. When a parent, immediately called, has come to take charge of the minor, and the appropriate information has been recorded, the minor shall be released to the custody of such parent. If the parent cannot be located, or fails to take charge of the minor, then the minor shall be released to the juvenile authorities, except to the extent that in accordance with police regulations, approved in advance by juvenile authorities, the minor may temporarily be entrusted to a relative, neighbor or other person who will on behalf of a parent assume the responsibility of caring for the minor pending the availability or arrival of a parent.

In the case of a first violation by a minor, the Chief of Police shall, by certified mail, send to a parent written notice of such violation with a warning that any subsequent violation will result in full enforcement of this ordinance, including enforcement of parental responsibility and of applicable penalties.
